

Dear Parents/Carers

As mentioned in the October Newsletter, we're excited to advise you that we will be supporting the World Food Programme during World Food Week from 10th to 14th October.

We will be backing their project, which aims to provide free school meals for less fortunate school children in Kenya by working closely with Unilever Food Solutions and our local Catering Service.

The World Food Programme is the largest humanitarian agency fighting hunger worldwide and is the food aid arm of the United Nations. It is funded entirely by voluntary donations and its ultimate objective is to eliminate the need for food aid.

To support the initiative, the catering team will be putting on a menu of 'international' dishes throughout the week to show the students the different tastes and cultures that are key to the countries across the globe that the World Food Programme supports. The meals we serve will raise money for this programme. There is no additional cost to parents/carers. Our Harvest Festival on Monday will focus on the work of the charity and the money raised at the Harvest Market and Soup Kitchen on Wednesday will be sent to the charity.

We're all too aware how important school meals are to our own children and this initiative is a great opportunity to help children for whom a meal is far from a daily certainty.

We hope you will be able to support us in this initiative. The salad bar and wraps will still be available as normal Tuesday to Friday. As Monday is the Harvest Buffet the 'wrap' is not an option, but there is a massive buffet for the children to select from.

Yours sincerely

M.A. Loncaster
Head Teacher
