Dear Parents/Carers

As from September 2017 the cost of a school meal will need to be increased to £2.40 per day. I am sorry to have to pass on this increase and I have held back as long as possible. I am however pleased to confirm that if your child stays all week the discount of a free day will remain, which means that the cost is only £9.60.

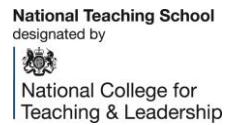

All meals need to be paid for in advance either by cheque or cash in a labelled sealed envelope.

The change will also apply to Year 2 children moving into Year 3 in September as the government free meals scheme only applies up to Year 2.

As the first week back in September is a 3 day week the cost will be £7.20.

Yours sincerely

M. A. Loncaster
