From the website it is possible to click on the **SCHOOL BLOG** which is an online photographic diary of life at the school

History day 2023: A History of British Childhood

Dear Parents, Carers, Governors, Friends, Staff and Pupils

This year's History Day is to look at the history of childhood in Britain from the days when childhood wasn't really acknowledged to the rapidly changing experiences of children over the past few decades.

Mr. May has been organising this year's event, which was actually chosen by last year's pupil council. They told the Ofsted inspectors that this is what we were doing next, which was news to me at the time, but turned out to be a great idea.

The key historical skills to be developed will include:

1. Developing a chronological understanding putting the time period in context with those previously studied
2. Understanding the cause or consequence of a significant historical event
3. Understanding what has changed and stayed the same since a time period
4. Understanding the impact of a time period on our lives today

5. The opportunity to ask historically valid and deep questions
6. Analysing evidence and questioning its validity.

In addition general comparisons will be made considering, technology, fashion, music, home decoration, media, schools, rich and poor, male and female and events that changed the world for children.

Children's fiction, will also be a particular feature and how it reflected childhood, or maybe didn't.

Each year group is focussing on a different era:

1990s transition to present day Foundation Year and Y1

1970's to 1980's Year 2

Including the 3 day week
Banning of corporal punishment
and "Iconic Brands"

Victorian Year 3

Including the School Curriculum, The Workhouse (Charles Dickens), Child Labour and Labour laws

Second World War 1939 – 1945 Year 4

Including Evacuees, the Blitz and rationing

Medieval Year 5

Particularly looking at the comparisons between rich and poor and the pre-definition of childhood

Post war 1946 – 1950's Year 6

Including the Welfare state, Health and Education, and the children of the Windrush Generation.

HISTORY DAY Tuesday 17th October 2023 "Childhood, a timeline of contrasting trends "

The day will commence with a whole school assembly considering what we take for granted in childhood today, but what wasn't always the case.

We ask that the children come to school dressed in the style of the period. This should be fairly straight forward and staff will have further advice for the children. There isn't a lot of difference between a poor child in Victorian Britain to one of the 1940's.

I emphasise that there is no expectation that parents spend money on a costume.

If anything, they will be all the more creative for being home assembled. I am certain this will make all the difference in inspiring the children.

We shall be serving Fish and Chips at Crofty's Restaurant which was the one meal that wasn't rationed in the Second World War.

Later in the afternoon the children will all come together to create a timeline and to share what they have discovered in relation to technology, fashion, music, homes and decoration, media, schools, rich and poor, male and female and events that changed the world for children.

We shall also sample episodes from the groundbreaking World in Action Programme "7 Up".

I am sure the children will come home full of stories and anecdotes to share with you all.

Meanwhile, it would be wonderful if you could share with your child(ren) some photos of when you were a child. It could prompt some great discussion.

Green Mole

INTERNATIONAL ECO SCHOOLS GREEN FLAG RE- AWARDED TO MOLESCROFT PRIMARY SCHOOL

International accreditation for this academic year, recognises our work in making the school more environmentally friendly and raising eco-awareness in fellow pupils.

Eco-Schools is an international education programme that prompts young people to explore sustainability and climate change and take action.

Mrs. Grainger with the Green Team, led an environmental review, assessing how eco-friendly the school is. They reviewed everything from the school's recycling practices, to energy usage, to how environmental themes are covered in classrooms. Building on their findings, the Green Team planned a year of activities that would up our green-credentials.

One of the major initiatives of the year was the development of the copse at the rear of the school field, as well as the refurbishment of the school pond and conservation area in general. Eco-Schools England Manager, Adam Flint, said: "Earning an Eco-Schools Green Flag Award takes passion, commitment and a desire to make a difference. Pupils should be proud of their great work. They're an inspiration and it makes us feel heartened and positive about the future of our planet."

To learn more about Eco-Schools head to www.eco-schools.org.uk

AND THERE IS MORE GOOD NEWS ...

The British Council's International School Award has also been re-awarded, an award which we have held since 2005.

Green Mole

INTERNATIONAL ECO SCHOOLS GREEN FLAG RE- AWARDED TO MOLESCROFT PRIMARY SCHOOL

THE FULL REPORT

Congratulations!!!

We are very pleased to tell you that you and your Eco-Committee at Molescroft Primary School have been successful in meeting the requirements for the Eco-Schools Green Flag Award.

We reviewed your application and noted the following:

It's very impressive that you have formed such a large Eco-Committee with fantastic support from 3 adult members. It shows that young people in your school are aware of environmental issues and committed to being active and creating positive change. This knowledge and attitude has provided your school with excellent foundations for the many successes that you've achieved this year. It's brilliant that young people were given the responsibility for recording meeting minutes. This will allow them to take ownership over the Eco-Schools programme and develop their listening, communication and teamwork skills. We loved reading the quote provided by members of the Eco-Committee. They sound like very impressive individuals and their quotes demonstrated how passionate they are about improving their local community and protecting our planet. It's great to read that completing the Environmental Review helped your Eco-Committee appreciate existing initiatives as well as identifying areas for improvement. It was great to read that the Environmental Review provided plenty of ideas for creating positive impacts for your school. It's clear your Eco-Committee are constantly considering what actions they can take to improve their local community and benefit our planet.

We love that the interests of the Eco-Committee and wider school community inspired the choice of projects in your Action Plan as well as the Environmental Review results. It's a strong approach to work on things that will produce visible impact and change, and a great example of critical thinking. We admire your commitment, demonstrated by continuing your hard work on the topics that held the most importance within the school community. This shows you have an ambitious and assured Eco-Committee, which has no doubt inspired others with their work. You have done a fantastic job at adding a brilliant amount of information to your Action Plan and your evaluation shows clear progress throughout the year. Your Curriculum Link examples are imaginative, practical and fun, making environmental education accessible and engaging, well done! This is a great way to add context to your Eco-Schools work, it means young people at your school are given the opportunity to learn about important environmental issues and then the chance to work on these issues – a great dual approach. We absolutely loved seeing all the evidence that you provided, it looks like everyone had fantastic fun in their learning journeys! You have placed a lot of emphasis on informing as many members of your school community as possible in your Eco-Schools work through newsletters and Eco-Board and this is a strength of your application.

You have made significant efforts to involve all pupils and your wider school community, maximising the impacts of your Eco-Schools work and benefitting your local area and our planet. We hope all staff members involved in your Eco-Schools work take immense amounts of pride from the many parental quotes uploaded. Your hard work and dedication has inspired young people and empowered them with the belief that they can positively impact our planet – this is something incredibly special. Your greatest successes link clearly to the experience of your pupils. It was great to read that your Eco-Committee has done so well this year that it has been hard to choose just one – well done! Managing time is a big challenge to face. Your actions have faced this challenge and made brilliant choices to adapt to them. SMART choices and a committed Eco-Committee have overcome any obstacles and you should be proud of your achievements this year. We love your collaborative approach to creating an Eco-Code, this unique approach has allowed your Eco-Committee to take ownership and create a final code that will be treasured by everyone at your school. Your Eco-Code is a fantastic and clear call to action for all who read it. It's a great reflection of the ethos your Eco-Committee have created. Thank you so much for submitting such a terrific application.

We have loved reading about your journey and are incredibly impressed by all you have achieved. We have no hesitation in awarding you an Eco-Schools Green Flag, congratulations!

International School Award

Press Release

Molescroft Primary School in the East Riding of Yorkshire, has been awarded the British Council's prestigious International School Award in recognition of its work to bring the world into the classroom. The International School Award celebrates the achievements of schools that do exceptional work in international education. Fostering an international dimension in the curriculum is at the heart of the British Council's work with schools so that young people gain the cultural understanding and skills they need for life work in today's world.

Molescroft Primary School's international work includes activities linked with partner schools in Germany and Poland. The children shared role models and the values which they epitomised. There was huge commonality across the countries. A word cloud, created summarised the values and gives great hope that the common values of humanity are indeed shared. Molescroft Primary School also hosted a joint schools Climate Conference, where ideas were shared live by video link between the schools. As a result Molescroft is to have meat free Mondays from November and vegan options everyday from the school restaurant.

On hearing the news that Molescroft Primary School had received the award, Michael Loncaster (Head Teacher) said: ***"It is important to firstly recognise that without the planned activities through our international curriculum, the children at Molescroft Primary would not have the same opportunities to make links with other countries, learn about other cultures or experience the diversity our world has to offer."***

The impact on pupils first and foremost is the widening of the possibilities and the raising of aspirations for both pupils and their families. Children make memories through our international plan. They remember the countries they have visited and can recall the learning vividly. Throughout the year, we have implemented various activities to increase pupils' understanding of other countries and cultures. These activities have been designed to foster curiosity, empathy, and appreciation for diversity. They impress parents, visitors and inspectors with their knowledge and cultural awareness."

A three week International festival based on Canada developed awareness and understanding of Canadian cultures understanding the diversity and geography of modern Canada and how it has been shaped by its past. All ten of the special activities we complete every year not only ensure increasing knowledge but also at developing open-mindedness, respect, and acceptance towards people from different countries and cultures. By actively engaging in these activities, students have broadened their horizons, challenged stereotypes, and developed a deeper appreciation for the richness of our global community, without which the children would not experience."

We believe that by nurturing an understanding of other countries and cultures at a young age, we are equipping our students with the tools to become global citizens who embrace diversity and contribute positively to our interconnected world."

Scott McDonald, Chief Executive of the British Council, said: 'The school has earned this prestigious award through its inspirational international work and links with schools abroad. The International School Award is a chance for schools to be recognised for their important work in bringing the world into their classrooms. This is especially commendable when schools have been deeply affected by the global pandemic. The desire to build on their international work shines through and it is with utmost pride that we celebrate their achievements. By embedding an international dimension in children's education, these schools are preparing their students for successful lives in the UK or further afield, empowering them to be global citizens, and are creating vital opportunities in an increasingly global economy.'

The Award is now available worldwide in countries such as Greece, Nigeria, and Bangladesh. Over 6,000 International School Awards have been presented to successful schools in the UK since the scheme began in 1999.

The International School Award encourages and supports schools to develop:

- An international ethos embedded throughout the school
- A whole school approach to international work
- Collaborative curriculum-based work with a number of partner schools
- Year-round international activity
- Involvement of the wider community

The British Council International School Award started in 1999 to recognise the schools leading the way in instilling and developing a global dimension into the learning experience of all children and young people. It is managed by the British Council.

The British Council is the UK's international organisation for cultural relations and educational opportunities. We support peace and prosperity by building connections, understanding, and trust between people in the UK and countries worldwide. We do this through our work in arts and culture, education, and the English language. We work with people in over 200 countries and territories and are on the ground in more than 100 countries. In 2022–23 we reached 600 million people. www.britishcouncil.org

For more information, please visit www.britishcouncil.org. You can also follow the British Council Schools' social media channels www.twitter.com/Schools_British and www.facebook.com/Schools.BritishCouncil

CONSULTATION EVENINGS

Dates published in the Diary

The booking system has been opened for October. It is intended that all the meetings will be face to face. Those with siblings must have a 10 minute gap between appointments. Parents will be supported through multiple entrances to multiple waiting areas and then to leave with books to take home.

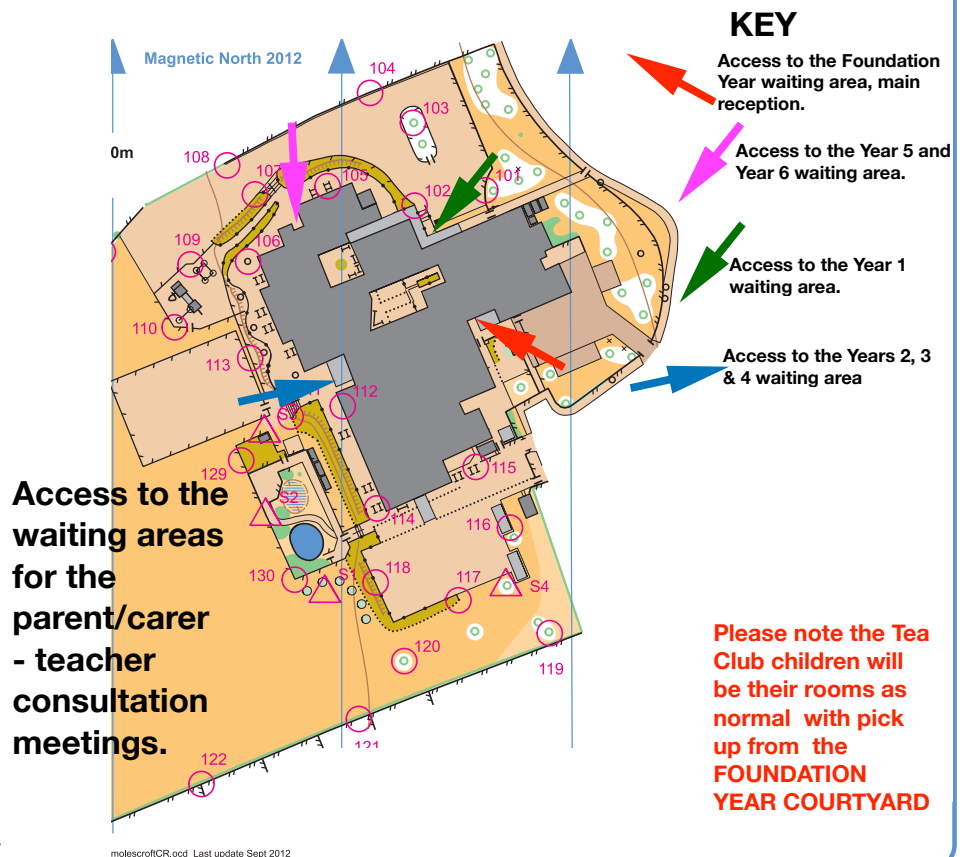

It is requested that parents/carers use the hand gel on arrival.

Entrances and waiting areas:
 Y5 entrance and for Y6 the covered entrance managed by Mr. Loncaster
 Y2, Y3 and Y4 to enter through the mid promenade entrance managed by Mrs. Tonks
 Y1 entrance managed by Mr. Williams
 FY entrance managed by Mrs. Barber/Mrs. Jameson

Remember parent/carers do not have to wait until Consultation Evenings if they have a concern and may seek to contact teachers via email. All teachers emails are by initial and surname. e.g. mtoncaster@molescroftprimary.net

Remember if you consider after the meeting, that you needed more time than the allocated 10 mins, this can be arranged for you on a different night.

Please arrive before your allocated time, as we try to keep to schedule to avoid parents/carers having a long wait.

Smile!

PUPIL PHOTOGRAPHS Family Night available

The school photographer will be visiting again on Tuesday 10th October 2023. I shall arrange for **ALL** children to be photographed **AND ALSO all siblings** to be photographed together. Parents do not need to book a photo in advance. I shall however be relying on children knowing if they have a brother or sister in school! I will not take responsibility for children who deny knowledge of their younger brother or sister! Parents are not

obliged to purchase the photographs.

The Family photo session to which anyone can come will be operating from 4:30pm to 7pm on the same date.

This is the ideal opportunity for families to arrange for a group photo including mum, dad and the much loved family pet and an opportunity to catch anyone who may have slipped the net.

CHARITY FUNDRAISING

The 2023 Appeal

In October I traditionally announce the start of preparations for the annual charity fund raising appeal.

Last year we of course organised an appeal for Cash for Kids and raised an astonishing £10,051.31.

Charity remains an important part of our school year when we consider the needs of others.

We are however also mindful that there is a lot of need in this country and that everyone's budget is being stretched.

Our plans will enable the children to participate in a range of activities as before, but like last year we will also make it possible to support the appeal with donations of a physical rather than monetary value.

One of the biggest impacts on the school year caused by the pandemic was the combining of our Enterprise programme with the charity fund raising. We shall be again making our products for sale. These will be specifically designed so that they appeal to a wide audience and will be available to purchase outside the school. They will not be linked to one particular child.

We will see the return of the Charity Fair which in itself raised £1700.00 .

The chosen charity will be announced very soon.

FLU VACCINES

Nasal Vaccines are administered every year to primary school pupils.

We are aware that Vaccination UK are now writing to schools to prepare for flu vaccinations to be delivered this term. This time around, Vaccination UK are asking for contact details of parents and guardians, in their words to "contact non returners ahead of the session to reduce the number of calls made on the day", as well as class lists of pupils.

The UK Health Security Agency guidance for schools for the latest round of vaccinations states that "schools should be providing this to the immunisation service in order to support the vaccine rollout. There are valid lawful bases for sharing this information; contact details and class lists will come under the "public task" condition, and medical information will be processed under the provision of healthcare and public health conditions".

Vaccination UK have produced a cover letter with a link to their privacy policy, which gives assurances on who the information will be shared with, how long it will be stored for and lawful basis for processing.

All details can be found at:
<https://www.schoolvaccination.uk/>

A bus full of presents collected by Viking FM for the Cash for Kids-Operation Christmas Appeal 2022.

COVID The latest Advice

On the following two pages are posters from the UK Health Security Agency, which give straightforward advice.

The basic premise is that we are living in a world with covid just like we have with flu and pneumonia for decades.

Like other respiratory illnesses, Covid can be unpleasant, but the chances of hospitalisation are hugely reduced, based on vaccination and general exposure to the virus.

You will notice on the following posters, that all respiratory illnesses including covid and flu are being treated the same.

We must presume that they are present in school, this is particularly the case as testing is no longer expected or to be requested.

Relying on the school to announce when there is a case would lead to a false sense of security, i.e. that "no news is good news". This is clearly not the case. Covid has certainly been around this month and most likely will be through the winter, but it hasn't spread anything like it did during the periods of restriction.

That said, conflicting information from Public Health now states **that if a child takes a covid test and tests positive**, the child "*should try to stay at home for 3 days*", for an adult it is 5 days.

But no one is actually asked to take a test or required to do so!

HARVEST FESTIVAL 2023

A chance to give thanks
Every year we hold a special Harvest Festival Assembly.

On Monday 2nd October 2023, children are invited to bring harvest gifts to school. As we did last year however, I invite pupils to bring long life, tinned, jarred, dried or bottled food stuffs. We ask not to send fresh foodstuffs. All the donations this year will be

Slightly "foggy advice" from those above us!
Basically if your child has a temperature DO NOT send the child to school.

given to the Beverley Food Bank for distribution. In view of all the difficulties being experienced by many people in our own town, this seems an appropriate moment to use our festival of thanks to make a particular difference for people facing hardship. It was an amazing collection last year and was hugely appreciated by the charity.

Children and young people with symptoms

Children and young people can get respiratory infections a lot.

Symptoms can be caused by respiratory infections like:

- a cold
- COVID-19
- respiratory syncytial virus or RSV for short

Only a few children and young people get very poorly from respiratory infections.

Some children under 2 can be more unwell with RSV.

This can happen more if they were born too early or have a heart condition.

Children and young people should keep going to school or college if they can as this is good for their long-term health.

What should children and young people do to keep others safe

Children and young people may have a sore throat or runny nose. They can still go to school if they feel well.

But if they have a high temperature or feel unwell, they should stay at home and away from other people, if they can.

They can go back to school, college or childcare when they feel better and don't have a high temperature.

Ask children and young people who are coughing and sneezing to:

- cover their mouth and nose with a tissue
- wash their hands afterwards

Ask a doctor if you are worried about your child. This is very important if they are aged under 2.

SPECIAL GUESTS FROM GERMANY

The Lemgo Link

Nadine and Anna are two long standing friends of Molescroft Primary School, as they were both teachers at Südschule in Lemgo, Germany.

They are now however professional musicians and are visiting us next week.

The children in Years three and four are to enjoy a Ukulele workshop on Tuesday 3rd October, which just happens to be

the national day in Germany - see Crofty's Restaurant menu.

They will both attend assembly on Tuesday and we will have chance to hear how Y3 & Y4 got on, as they perform with Nadine and Anna. They will teach the school a song and we will have a special 'German' end to the day.

They will return to Molescroft on Thursday 5th October and are going to entertain us with a special concert.

Thanks go to Woodmansey CE Primary School, which is lending us their Ukuleles.

PARKING GOOD BEHAVIOUR

Restrictions apply, sun or rain.

I wish to remind drivers not to park or drop off in the cul-de-sac which dangerously mixes vehicles with hundreds of children entering or leaving the school. I also thank drivers for not parking on the yellow lines on St. Leonard's Road or on Molescroft Avenue, which keeps the view clear of the crossing patrol.

Furthermore, thanks are extended to those with disabled badges who park as far away as they find possible from the crossing patrol.

However, it only needs one car to cause a disruption. Please can I ask all parents to remind others e.g. grandparents, of the parking expectations.

Please remember that all these measures are designed to protect your children. A zero tolerance to infringement ensures that we keep the area safe. Turning a blind eye only ends up with the situations we see often on the news at other schools across the country.

Parking has been great and nearly everyone has been observing the regulations. We are all extremely grateful.

You all deserve recognition, this must be one of the most understanding parent groups for parking in the country!

I would prefer not to have to personally discuss issues with drivers.

As a relief Crossing Patrol Officer myself, I understand first hand how difficult it can become when cars are parked near the crossing patrol. The result is a reduction of visibility and often backing up of vehicles unable to move forward. On the vast majority of occasions however the road has been completely clear, even on a wet day.

I am sure everyone understands that those crossing must keep

moving swiftly past Mr. Platten and at a suitable distance. I also remind everyone not to cross behind him. It is actually quite a complex crossing and is hindered by those crossing behind the crossing patrol officer. **The need to park properly is just as important in wet weather as it is on a sunny day.**

ALSO, PLEASE BE CONSIDERATE OF OUR NEIGHBOURS, PARTICULARLY IF ATTENDING SPECIAL EVENTS.

time to start school

If your child was born between
1 September 2019 and 31 August 2020
and you live in East Riding you should apply now for a
school place to start infant or primary school from September
2024

Apply for a school place by no later than 15 January 2024 at
www.eastriding.gov.uk/apply-for-a-school-place

Applications can be made on smartphones, tablets or desktops by registering
an email address and completing the online form on our Citizen Portal.
Application information and advice is available in our Guide for Parents.

The benefits of applying online include an email with the results on
National Offer Day - 16 April 2024.

If you can't apply online, you can ask for an application form from the School
Admissions team and return it to County Hall, Beverley or to any East Riding
Customer Service Centre by 15 January.

School Admissions
schooladmissions@eastriding.gov.uk

 **EAST RIDING**
OF YORKSHIRE COUNCIL

MOLESCROFT PARISH CENTRE Opportunities for community use.

As you know Molescroft Primary School is also a Parish Centre, which is rather unique. It is the only one in the county! This is because in 1975 when the school was built the local community through the Parish Council put in funding to have a large hall built and the additional parish room and kitchen. This was an amazing piece of foresight and has been to the benefit of school and community for 47 years. One big plus is the fact that the school hall can still hold the entire school population of 420 children plus staff. Originally the school was designed for just 75 children.

Following the Covid Pandemic however a number of users have not returned and so there is a great opportunity for individuals or organisations interested in hiring the premises.

Current availability is for all but one Wednesday each month from 7:15pm, Thursday and Friday nights from 6pm and all day Sunday. The centre closes at 10:30pm.

The hall is ideal for social groups, society meetings, badminton, dance, exercise groups and all with access to the sound system, large screen and projector. For small groups, the Parish Centre Room can be hired separately.

For further details including hire rates, please contact Mrs. Jameson rjameson@molescroftprimary.net

PREVENTING CYBER BULLYING

MOBILE PHONES Our protocol

Although not encouraged I must accept that a number of parents wish their Y6 children to have a mobile phone available to and from school.

Year 6 children may bring a mobile phone to school, providing a parent/ carer has completed the protocol agreeing to the following that has been discussed with their child. The slip is at the end of this newsletter and sent home as a hard copy:

- Phones remain switched off throughout the site inside and outside.
- Phones remain in the child's book or sports bag.
- The school takes no responsibility for any phones brought on site.
- Any child using their mobile phone on site will have it confiscated, to be collected from the school office by a parent/carer.
- Any child found to be using their device for vexatious purposes **at any time against another pupil or member of staff**, will similarly have their phone confiscated to be collected from a member of the Senior Management Team by a parent/carer.
- Any child in school with a mobile phone without an agreed protocol will have the phone confiscated to be collected from the school office by a parent/carer.

Any parent of a child in a younger class will need to write to the headteacher explaining why it is essential that the child brings a mobile phone to school.

Any other personal devices e.g. watches that connect to the internet are not to be brought to school.

School Meals are Excellent Value.

Our restaurant is open to adult guests at lunchtime. Meals cost £3.90 to be paid online. Numbers will be limited to 12 per day, but it is possible to book in advance. The latest booking is 9:30am each morning and guests should report to the reception at 11:50am. Children will come down to join guests at 11:55am. Please make sure your child(ren) know to come down to the hall. Adult guests cannot join us in the first week of the school year, on sporting tournament days during the Theatre Club week and prior to it or in the last week before the Christmas holiday.

A child's meal costs £2.90. (A full week offer of £11.60, £8.70 for a four day week.) It is excellent value, and by educating children away from a diet of crisps and processed food we are together building a lifetime of good eating habits and healthy hearts. **DINNERS MUST BE PREPAID, no more than £2.90 will be accepted in arrears.** *Dinners should ideally be paid for on line at School Money.*

Meals are advertised on the website and there is usually the salad with two wraps option and the Jacket Potato with a range of fillings. Children can self-serve salad, vegetables and fruit salad and can have second portions. Year 4, 5 & 6 pupils may have a larger portion of the advertised main hot meal.

Crofty's Restaurant Around the World on a Plate

Continuing our International Journey of culinary delights "Around the World on a Plate" we have some specials, which our children can look forward to.

Monday 2nd October 2023 Harvest Mega Buffet

Tuesday 3rd October 2023 Germany Day

Frankfurter sausage with warm potato salad followed by Black Forest Gateau.

Thursday 12th October 2023 Spanishness Day!

Spanish chicken, rice and crusty bread followed by ice cream cake with mandarins.

Tuesday 17th October 2023 History Day Special

Fish and chips followed by jelly and ice cream

Thursday 26th October 2023 Austria Day

Beef Goulash with mashed potatoes followed by Apple strudel and ice cream.

Meals served at Crofty's Restaurant, Breakfast Club and Afternoon Tea Club contain allergens. We follow good hygiene practices in our kitchen; however whilst a dish may not identify a specific allergen as an actual ingredient, due to the wide range of ingredients used in our kitchen, foods may be at risk of cross contamination by other ingredients. Anyone wishing to know the details of any allergens in any of our meals provided can get the information from the school kitchen. Please telephone the normal school number 01482861762 in order to be transferred.

KEVIN'S DIARY

Nurture Dog

I hope you've all settled back into school since you all came back. I hope you have all enjoyed your new classrooms and your new teachers.

I have really enjoyed seeing you all and wandering around school and visiting everyone.

I am loving the new nurture space. I am part of the nurture team! Mr Britton has got a bed in here for me and Mrs Mallison bought me a new rabbit dog toy which matches my bed. I love it and I get very excited when it squeaks.

I am still enjoying seeing you all at lunchtimes and at breaks if I get to go out to play on the field.

I am looking forward to the Harvest festival assembly and all the other autumn things that are happening before half term.

Love Kevin x

A message from our happy
School Dog

SPORTING TOURNAMENTS

Coinciding with the Rugby World Cup in France, Pupils in KS2 are developing their rugby skills this half term. This concludes with Tournaments on Wednesday 18th and Thursday 19th October 2023. See the diary for times.

Adult guests will be able to watch.

Wednesday 25th October 2023 is the reserve day .

CLUBS: Making More of Molescroft

FROM THE WEEK COMMENCING: **Monday 2nd October 2023**

Attendance at all after school clubs and those involving Tigers Trust at lunchtimes have to be reserved via the booking forms.

As always, I am indebted to the staff and volunteers who give up so much to offer extra curricular activities to our children. Below is a list of Clubs which operate at school. **Clubs in bold indicate a club running now.** Clubs in italics are provided through the Extended Schools Initiative, are NOT staffed by Molescroft, have a booking form AND usually incur a small fee. All after school clubs require children to pre register. (CODE) indicates the location of/changing for club e.g SM = Mr. Morton / BR = Y6 room Mr. Rowsell

Day	Time	Club and location/changing	Age Groups	Leader
Daily	Lunchtime	Lego Therapy (IC)	(by invitation)	to be announced
	Diverse Lunchtimes 12:00- 13:10	Gardening Club Table Tennis	(by invitation) Y6	Mrs. Goff & Mrs. Cook Coordinated by Y6 Team
Monday	12 noon - 12:35pm	Netball (own classrooms)	Y2 Y3 ON THE MUGA	Miss Spencer
		In light rain the club will continue outside. Please pack a towel		
	MONDAY IS MOLESCROFT FOOTBALL ACADEMY CREATING TEAMS			
	12noon - 12:45pm	Boys and Girls Football	Y5 & Y6	Mr. Morton, Miss Wright
		Children change in their own classrooms at morning break. In light rain the club will continue outside.		
STARTS NOV	12noon - 12:35pm	Coding Club	Y5 & Y6	Mr. Morton
	12:00 - 12:35	Urban Routines (LIB)	Y4	Miss Kaufmann
	12:35 - 13:10	Urban Routines (LIB)	Y3 & Y4 BOYS	Miss Kaufmann
	12:35pm to 13:10	Fun on the MUGA	FY	Foundation Lunchtime Team
		ON THE MUGA		
RETURNS MAR	3:30pm - 6:30pm*	Theatre Club (see schedule*)	Y4/5/6	Miss Hakner, Mr. Loncaster & many other staff
		Children may bring a snack with them. Tea Club children will still receive their afternoon refreshments.		
		(Please leave belongings and footballs in your cloakrooms)		
RETURNS IN NOV	3:30pm - 4:30pm	Book Cafe	KS2	Mr. Rowsell & Miss Kaufmann
Tuesday	12:00 - 12:35	Urban Routines (LIB)	Y5	Miss Kaufmann
	12:00 - 12:35	Basketball (BR)(CC)	Y6	Mr. Rowsell
		ON THE MUGA		
		In light rain the club will continue outside. Please pack a towel.		
	12:35 - 13:10	Urban Routines (LIB)	Y2	Miss Kaufmann
	12:35pm to 13:10	Fun on the MUGA	FY	Foundation Lunchtime Team
		(After changing please put belongings in your cloakrooms)		
		In light rain the club will continue outside. In heavy rain an indoor activity will be provided in year group rooms.		
	3:30pm - 4:15pm	Frenchtastic (LIB)	Y1 Y2 Y3	Mrs. McKie

Our new Nurture Room

We have received our defibrillator from the Government. It is an indoor variety and is next to the school reception.

Our new FY Centre Point Room

DEFIBRILATORS FOR BEVERLEY William joins the campaign

You may have seen on BBC Look North that several people had walked from York Minster to Beverley Minster to raise funds for defibrillators to be fitted in Beverley in memory of a friend who died suddenly on Christmas Day. Our own William from Y1 joined the last leg of this walk with his daddy and carried a defibrillator through Beverley to the end point. The team have managed to raise £9400 so far, so two or three defibrillators will be placed in Beverley as a result. William also drew out the raffle tickets back at the pub to raise extra funds. Well done William!

I Can

A Very Special Meeting for Parents/Carers of the Foundation Stage

WEDNESDAY 4TH OCTOBER 2023, 6:15pm in the School Hall LIVE

The meeting is an important introduction as to how we teach your children to read through systematic synthetic phonics and how we teach maths in the Foundation Stage.

Parents and Carers will also receive an invitation to tour the school and see phonics in action on either the 5th, 9th, 13th, 20th of October at 8:50am.

Our refurbished FY Outdoor Classroom

THE BIG PUMPKIN CHALLENGE Weigh in Day

Following the successes of previous year's Pumpkin Challenge, every child received a pumpkin seed last May. Children were invited to plant the seed and try to grow the biggest pumpkin they could.

On Friday 27th October 2023, the children are invited to bring in to school their heaviest pumpkin for a weigh in. Year 7 pupils may also enter the competition, by dropping off their pumpkin with their name written on it, prior to the

Friday and collecting their pumpkins after school on judging day.

There will be a prize per class for the heaviest grown. These will be brought into the hall for the final weigh in to find the champion Pumpkin of the year.

PS. For those of you familiar with the cake contest in the film "Calendar Girls," ...pumpkins bought at Marks and Spencer or other suppliers will be frowned upon!

Sports Mole

Great start to the new season

On Tuesday afternoon a team of 10 from Year 6 kicked off this year's sporting events representing the school at the "Large School" football tournament held at Longcroft school.

The first game allowed the team to find its rhythm and get a touch on the ball. Unfortunately we lost 1-0 in a close game but the energy was building and we were able to see what we needed to tweak very quickly.

A few heads were down but after a quick pep talk and formation advice the boys went into the 2nd match with their heads in the game, laser focus, stronger tackles and good communication coming out with a 2-0 win. Ryan CR and Charlie M scoring.

The boys then took the teamwork to another level and finished the last 2 matches with goal after goal.

Rolling subs kept the energy high and everyone knew where they needed to be to win the ball and support one another.

Luke T scored a hat-trick in the 3rd game alongside goals from Edward C and Charlie M with a fantastic assist from James M resulting in a 5-0 win.

In the final game, the team really worked together, the quick passes, confidence to have a shot and moving with the ball allowed another hat-trick to be scored, this time by Edward C. Luke T scored another goal and then followed a third hat-trick of the afternoon by James M for a 7-0 win.

We came second in the tournament which is excellent and what an afternoon we had.

Miss Kaufmann and Mrs Willey were very proud of the attitude and effort by each player.

"See what happens when you believe in yourself!!!"

Clearly a force to be reckoned with, after three hat tricks!

Sports Mole

36 Moles Race in Cross Country Event

Another sporting Tuesday afternoon saw our Cross Country competitors (36 of them) from across KS2 take on the field of Longcroft School.

Starting the event off was the Year 3/4 girls, all very excited and raring to go, we Nell, Freya and Matilda representing Year 4 and Liana from Year 3.

Each of them put in astounding effort with Nell finishing in 1st, Freya 2nd, Matilda 3rd and not far behind them was Liana meaning all 4 qualified in the top 8 to go through to the next round!

Up next was the Year 3/4 boys, this race was fast paced from the get go as the pace setter from Longcroft had the boys right at her ankles by the 1st corner. The group had some tough competition in this race and it was a brilliant effort by ALL, however Fred F (4th) and Thomas H (6th) managed to push through the crowd and qualify.

The Year 5/6 boys were up next after being so supportive to our younger runners and enjoying the atmosphere... It was such a tight finish we had James M come in joint 1st place at the last second, with Freddy D and Luke T, Freddy D was 7th, Luke 6th both qualifying in the top 8.

Last but not least our older girls had their turn...Amy C cruised into the finish at 2nd place with Alice J not long behind her in 5th and Gracie B pulling in 7th!

Absolutely amazing effort again by ALL of our Moles and let's wish our qualifiers good luck in the next round!

Qualifiers in all rounds!

Our Partnership Moles

We are extremely grateful to our Business and Community Partners who are working with us to provide the best education, facilities and experiences for our pupils.

ACKLAM'S

Thank You

Head Teacher

MOLESCROFT PRIMARY SCHOOL **Mobile Phone Protocol and Agreement**

Name of Child in Year 6: _____

Any parent of a child in a younger year group will need to write to the headteacher explaining why it is essential that the child brings a mobile phone to school.

Date: _____

As parent/carer I confirm that I have discussed the following with my child and accept responsibility for my child bringing a mobile phone into school in accordance with this protocol.

- Phones remain switched off throughout the site inside and outside.
- Phones are to remain in the school book bag at all times on the school site.
- The school takes no responsibility for any phones brought on site.
- Any child using their mobile phone on site will have it confiscated, to be collected from the school office by a parent/carer.
- Any child found to be using their device for vexatious purposes at any time against another pupil or member of staff, will similarly have their phone confiscated to be collected from a member of the Senior Management Team by a parent/carer.**
- Any child in school with a mobile phone without an agreed protocol will have the phone confiscated to be collected from the school office by a parent/carer.

Signed Parent/Carer: _____

Any parent of a child in a younger year group will need to write to the headteacher explaining why it is essential that the child brings a mobile phone to school.

Any other personal devices e.g. watches that connect to the internet are not to be brought to school.
